Chemistry Learning Center

Campus Chemistry Resources

1. **Help Desk or TA/TS/UA Office Hours**
The Help Desk provides drop-in help for Chemistry 103, 104, 108, and 109. Organic chemistry courses have similar support with TA/TS drop-in assistance for Chemistry 341, 343, 344, 345, and 346. Check with your instructor to see when this resource is available and in what room it will be held.

2. **Instructor’s Office Hours**
Instructors have office hours available to assist students enrolled in their course. These will be announced at the beginning of the semester.

3. **GUTS**
Greater University Tutorial Service (GUTS) provides tutoring in a variety of disciplines (e.g., math, chemistry, physics, etc.) and formats. Visit their web site at [https://guts.wisc.edu/dj/tutee/](https://guts.wisc.edu/dj/tutee/) to find information on drop-in tutoring hours and locations. Visit their web site at [https://guts.wisc.edu/am/tutee/](https://guts.wisc.edu/am/tutee/) to find information on academic match tutoring. To sign up for other tutoring services, visit their office in room 4413, Student Activity Center (SAC), contact them at 263-5666, or visit their website, [https://guts.wisc.edu/](https://guts.wisc.edu/)

4. **ΑΧΣ**
Alpha Chi Sigma (ΑΧΣ) is a co-ed chemistry fraternity that offers free chemistry tutoring on a drop-in basis, and is located at 621 N. Lake St. View the website at: [http://alphachisigmauw.com/](http://alphachisigmauw.com/) for more information.

5. **UWPLA**
UW Peer Learning Association (PLA) is a student organization that facilitates students-working-with-students in small student-facilitated study groups in many courses. Please visit their website ([https://win.wisc.edu/organization/pla](https://win.wisc.edu/organization/pla)) for more information.

6. **College of Engineering ULC**
The College of Engineering Undergraduate Learning Center (ULC) provides drop-in tutoring for Chemistry 103, 104, 109, 343, and 345 students along with math, physics, and engineering courses on the 4th floor of Wendt Library Commons. For more information visit: [https://www.engr.wisc.edu/academics/student-services/ulc/](https://www.engr.wisc.edu/academics/student-services/ulc/)

7. **Paid Tutors**
The UW Chemistry Department posts a list of private organic tutors available for hire each term. This list is usually up-to-date after the second week of classes. The list can be found at the bottom of this page: [https://chem.wisc.edu/academic-support/](https://chem.wisc.edu/academic-support/)

8. **Chemistry Learning Center Resources**
The Chemistry Learning Center (CLC) posts Chemistry 103, 104, 343, and 345 resource sheets on the CLC website under the Resources tab menu option ([https://clc.chem.wisc.edu/clc-chemistry-resources/](https://clc.chem.wisc.edu/clc-chemistry-resources/)).

9. **Websites**
There are several websites dedicated to organic chemistry. The sites listed below consist of tutorials and/or sets of practice questions. All of the sites allow you to check your work so they may serve as a useful supplement to the exercises in your organic chemistry text.
